BUSINESS ALBUM
NINGBO BERRIFIC MANUFACTURE AND TRADING CO., LTD.

*Savor the Moment
Season with Berrific Fun*

Ningbo Berrific Manufacture and Trading Co., Ltd. is a leading manufacturer and supplier of premium cookware components, specializing in tempered glass lids, silicone glass lids, cookware handles, knobs, and stainless steel induction base induction base plates. With over a decade of experience, we have firmly established ourselves as a dependable and trusted name within the industry.

Our unwavering commitment to consistently meet the diverse requirements of our clients is evident through our proactive research and development endeavors. We take pride in our dedication to excellence, competitive pricing, and the provision of exceptional after-sales service, setting us apart from our competitors.

At Ningbo Berrific, we are dedicated to catering to the unique needs of our customers and aspire to not only meet but also exceed their expectations.

Enhance Every Bite With a Pinch of Berrific – Why Choose Us :

○ Size and Production Capacity:

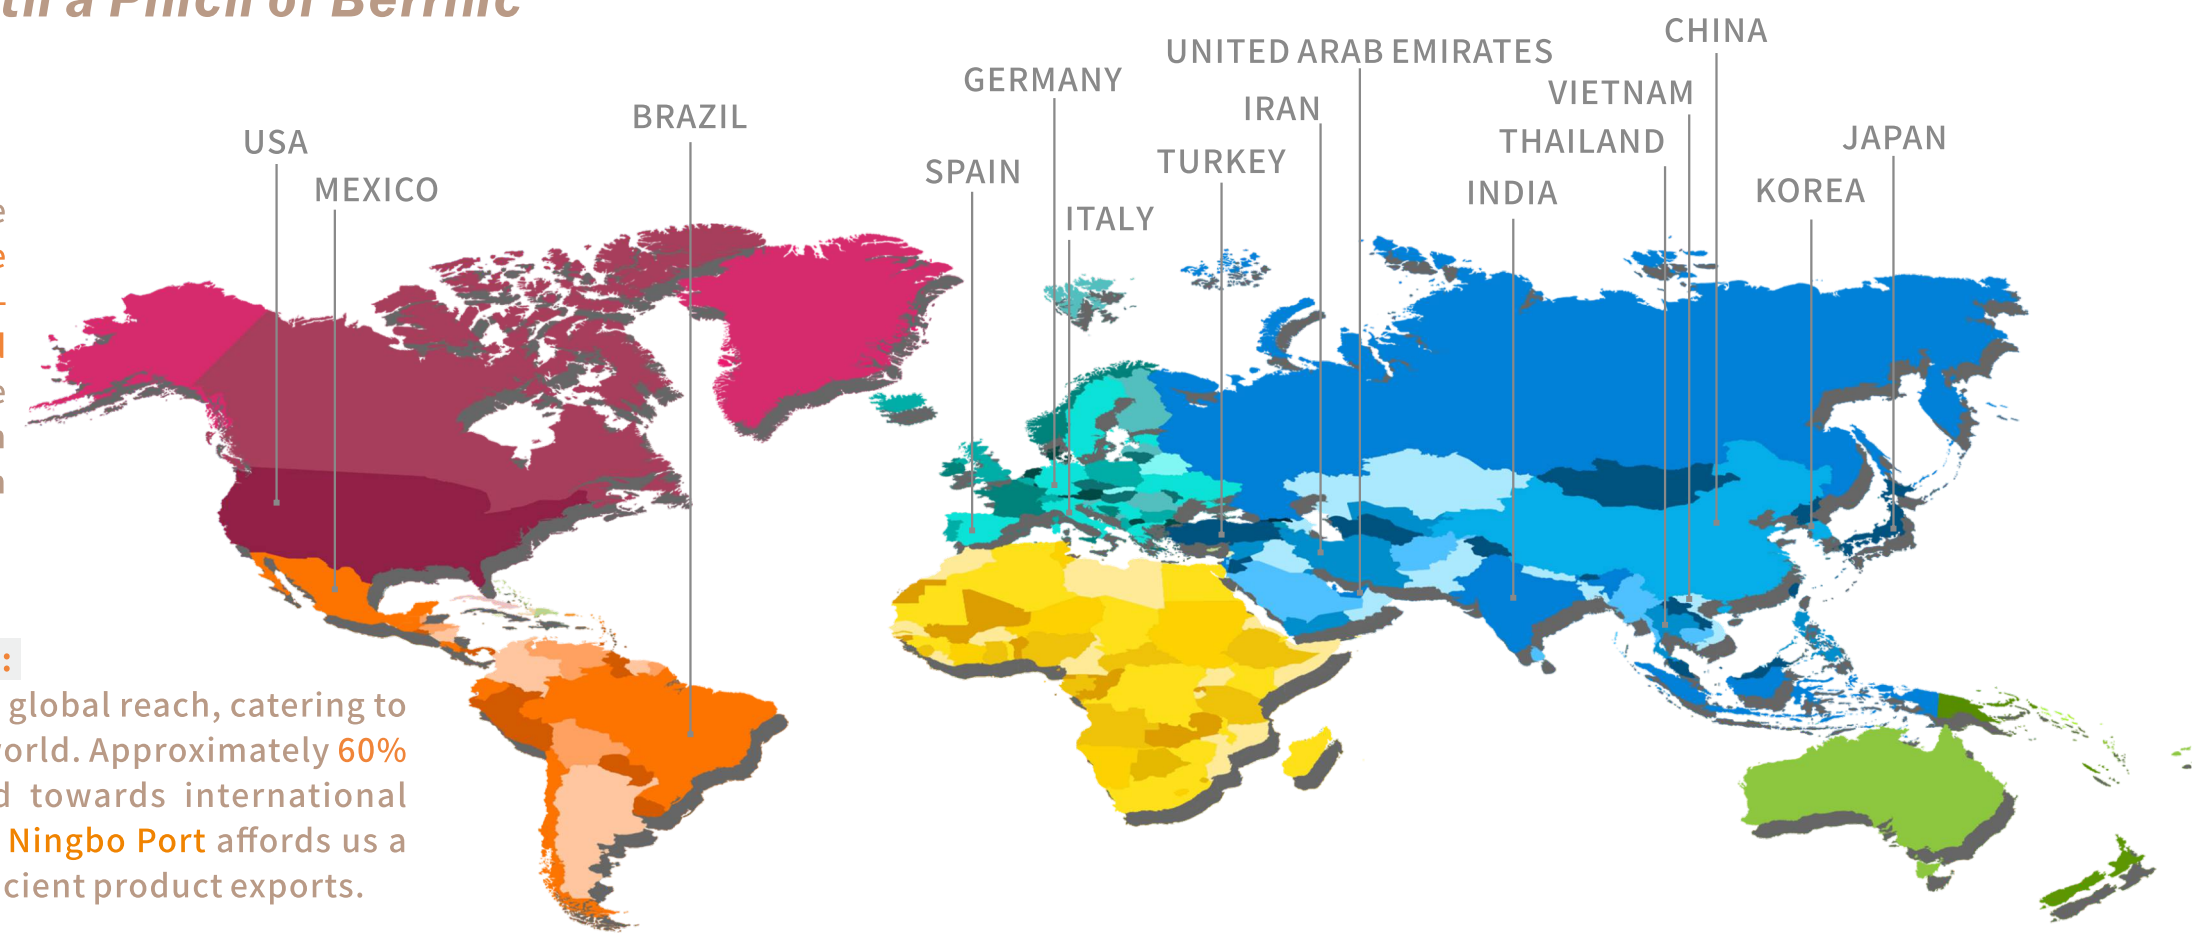

Our company boasts an expansive facility spanning **12,000 square meters**, outfitted with **five state-of-the-art, highly automated production lines**. This cutting-edge infrastructure empowers us with an impressive daily production capacity of **40,000 units**.

○ Export Market and Global Presence:

We take great pride in our extensive global reach, catering to more than **15 countries** across the world. Approximately **60%** of our product output is directed towards international markets. Our strategic proximity to **Ningbo Port** affords us a distinct advantage in facilitating efficient product exports.

○ Quality Assurance and Competitive Pricing:

Our dedicated quality control team, comprising **20 highly proficient professionals**, meticulously scrutinizes every product to uphold these exacting standards. Also, we strategically engage with multiple suppliers to secure more favorable procurement terms. This strategic advantage is instrumental in enabling us to offer competitively priced products.

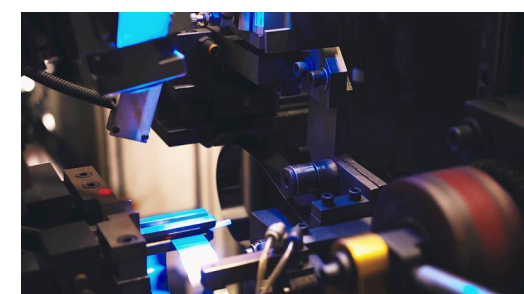

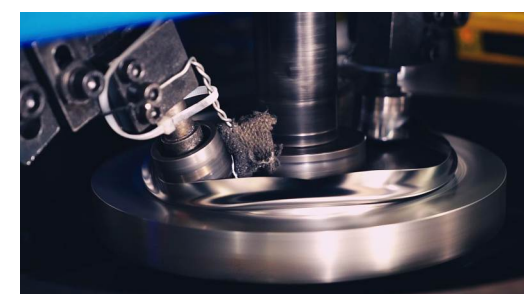

○ Superior After-Sales Service:

Our proficient and experienced team provides **24/7 customer support**, consistently prepared to address any inquiries or concerns that may arise.

○ Strict Warehouse Management:

Our warehouse management is characterized by stringently adherence to **5S principles**, ensuring that our storage systems are impeccably organized and optimized for operational efficiency.
